### What Cures Eczema?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of oil of Wintergreen, as compounded in Dr. D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend Dr. D. D. Prescription.

"For many years I was troubled with Rheumatism, also with Bright's Disease of the Kidneys. I suffered awfully. Tried many advertised remedies. After using your truly remarkable preparation, RHEUMA, I was fully cured."—Prof. C. J. Budlong, Sound View, Conn.

There is certainly a great deal of pleasure to me when I feel that I am doing something to give joy to others. So in sending a few items from this dear little city, I am sure many who have lived here will appreciate a short even if uninteresting letter, that will keep them in touch with the happenings of friends and loved ones in Crab Orchard. No grander place has ever existed than this historic town, which has sent thousands of sufferers away well and hearty, after tasting its healing waters. And then the good people who live here, talented people, whole hearted, genial, it makes you feel nobler and better for a stay among them. The town has improved in the last few years, so that some of you wanderers would hardly recognize it as the place of your birth, especially if you are eighty-eight years old, as some of our residents are. So I send greetings to one and all, and promise to do my very best to be a news carrier for this splendid paper. All the old residents are well, and some day I will mention in name all who are still living for the benefit of those who have been away for many years.

For asking pardon for all wrongs.

For being patient toward everybody.
